DualSun, Warranty Service - 38 rue Frederic Joliot Curie - 13451 Marseille Cedex 13

### FRONT AND BACK TO BE COMPLETED AND SIGNED BY YOUR INSTALLER

Owner of installation : .....

Email and/or telephone of owner : .....

Address of owner : .....

Installer company :

Date and signature  
or Stamp :

Number of DualSun Wave (PV/T) panels	
Number of photovoltaïques (PV) panels (DualSun Flash or other)	
Mounting system (Ex : EASY ROOF L1 model)	
Number of PV strings	
Number of thermal strings	
Number of balancing valves	
Height of installation (in meters)	
Inflation pressure of expansion tank P0 (bars)	
Pressure at solar regulation system (bars)	
Flow rate of thermal circuit (liters/hour)	
Percentage of glycol (%)	
Fluid volume in the thermal circuit (liters)	
Calibration of security valve (bars)	
Solar regulation: $\Delta T_{ON}$ (°C)	
Solar regulation: $\Delta T_{OFF}$ (°C)	
PV monitoring : please provide access codes	
Thermal monitoring : please provide access codes (TOKEN)	
Volume of hot water tank (liters)
